

ENERGY

Smart Actions for Energy Efficiency

GREEN

ENERGY – Smart Actions for Energy Efficiency - is a project funded by the European Union under the Interreg IPA South Adriatic Programme 2021-2027.

Duration

start date - end date

01.07.2025 – 31.12.2027

Main Goal

Enhance energy efficiency in the South Adriatic by monitoring and analyzing building energy use, reducing emissions, and raising awareness among authorities, stakeholders, and citizens.

Total budget

971.250,15 €

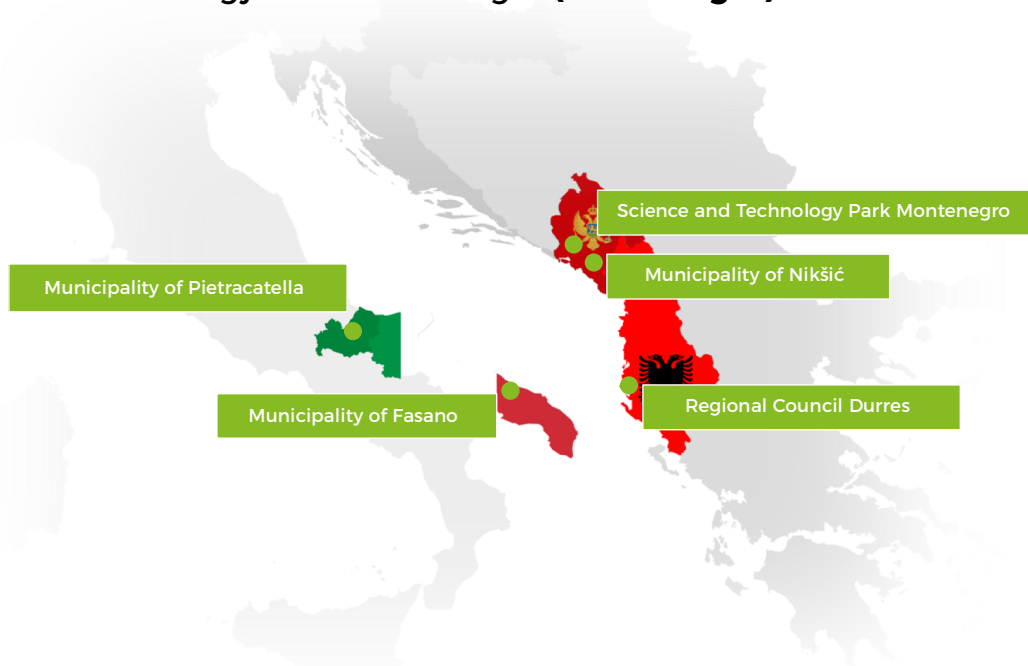

EU funding

801.582,81 €

Project Partners

- **Lead Partner Municipality of Fasano (Italy)**
- **Partner Municipality of Pietracatella (Italy)**
- **Partner Regional Council Durres (Albania)**
- **Partner Municipality of Nikšić (Montenegro)**
- **Partner Science and Technology Park Montenegro (Montenegro)**

Project main activities -Expected output/results

Partners jointly assess energy use and implement pilot monitoring in public buildings, develop Joint Energy Efficiency Guidelines, raise awareness through training and festivals, and sign an Agreement, improving capacity and reducing energy consumption across the South Adriatic region.
